

UPWARD BOUND

STUDENT HANDBOOK

Dear Upward Bound Student,

Congratulations! You are to be commended for taking the first steps toward reaching your goal of becoming a college graduate. Careful planning and preparation today will ensure your success tomorrow.

The Upward Bound manual provides information regarding program rules and student EXPECTATIONS. It is your responsibility to read the handbook and to be familiar with the rules and expectations for Upward Bound participants. Review the manual carefully to gain a full understanding of the program's philosophy and goals. Questions and concerns not addressed in the manual can be clarified with a staff member. Never be afraid to ask questions!

As a participant, you will quickly learn it takes more than good grades to become a college graduate. Your Upward Bound experience will teach you the facts about college admissions and the skills required to succeed in college. Through workshops, one-on-one advising, campus visits, and other activities, you will gain knowledge regarding financial aid, career exploration, life-skills, standardized testing, and much more. An Upward Bound student's experience is one that will remain with the student throughout his/her life. Active participants graduate from the program with greater confidence, maturity and skills to be successful in college.

The Upward Bound Staff wishes participants success in their quest for learning and for continued self-improvement. The future is waiting for you!

Sincerely,
Upward Bound Staff
About ESC Region 12

Upward Bound Program

Purpose:

Upward Bound is an innovative program aimed at closing the gap & increasing the academic achievement levels of underserved first-generation college students to not only succeed in high school but also in post-secondary education and beyond.

The Upward Bound Grant is funded by the U.S. Department of Education and is administered in Central Texas by ESC Region 12:

- To increase the numbers of students excelling academically, graduating high school & entering and succeeding in postsecondary education.
- To increase student and parent awareness, readiness, interest, engagement, knowledge and participation in school, postsecondary education and financial literacy opportunities.

ESC Region 12 partners with target high schools to support a cohort group of students in grades 9-12. The program assists the students to increase students' college and career readiness through:

- mentoring and tutoring academically
- college planning
- student leadership opportunities
- summer programs

Academic Saturday Expectations

Once a month, UB participants meet for supplemental instruction to prepare for the ACT, SAT, EOC STAAR, and TSI testing. College Prep plays an important role in preparing students for high school and college success.

Students are expected to adhere to the following guidelines during Academic Saturday College Prep:

1. Attend Academic Saturday each month. If a student cannot attend, he/she is responsible for informing a UB staff member at least one week before the absence.
2. Be respectful and courteous to teachers, staff and other students.
3. Arrive on time for all classes.
4. Cooperate fully and take an active, positive interest in class discussions and lectures.
5. Be alert and awake during class time.
6. Supplies are provided at the beginning of the academic year. Students are responsible for taking these items to each class.
7. The Upward Bound Site Coordinator determines when and where snacks and drinks are allowed.
8. Instructors have the right to ask students to leave the classroom for inappropriate behavior.

Electronic Device Expectations

1. Electronics and toys are not permitted during class unless instructed by the instructor.
2. All cell phones must be silent and put away during all UB classes, college tours, and activities unless instructed by UB staff.
3. An Upward Bound staff member may require the student to turn over the device for the duration of the activity.

STUDENTS WHO DO NOT ADHERE TO THESE RULES ARE AT RISK OF STIPEND REDUCTION, LOSS OF FIELD TRIP PRIVILEGES, AND PROGRAM DISMISSAL.

Field Trips

Field trips to college campuses and other outside of the classroom educational experiences are an integral part of the Upward Bound program. To be eligible to attend a field trip, students must be in good standing in the program. Good standing is determined by active participation, good academic status, positive attitude and the motivation to succeed.

Students must sign up in advance to participate in a scheduled field trip activity. Spaces are limited and signing up does not guarantee a student will be allowed to attend. Therefore, coordinators will select students from the sign-up sheet who they have determined have taken the fullest advantage of program services and who have taken positive active steps to prepare for college.

Coordinators will notify eligible students and their parents in advance. In the event a student is unable to attend, the student must notify their advisor at least one week in advance. Should the number of students signed up exceed the allocated participant spaces, a waiting list will be created. Coordinators will fill the remaining spaces by choosing students based upon the above-mentioned criteria.

In the event of an emergency & parents need to contact their child during an Upward Bound field trip, parents should contact the site coordinator on the cell phone or call the student directly.

Tutorials

Tutorials are designed to enhance a student's study skills and subject knowledge and to improve students' ability to discipline themselves with good study habits. TUTORIALS ARE NOT A TIME TO SOCIALIZE!

1. UB Students will utilize the tutoring offered on their individual campuses. You may go to organized after-school tutoring programs or go to individual teachers.
2. When attending tutorials, students are responsible for obtaining a UB Tutorial Form to obtain a teacher signature for each session of tutoring.
3. If a student does not need tutorials, but wishes to obtain credit for tutoring, he or she may offer to be a peer tutor, with your UB Coordinator's permission. You must still turn in a UB Tutorial Form with a teacher signature!
4. Students are responsible for submitting the signed tutorial sheet to their UB coordinator to earn credit for tutorial tasks completed. This affects your stipend!

TRAINING

Stipends

Students have the opportunity to earn a stipend for completing a specified number of college preparatory tasks. UB advisors will provide each student with a list of task options at the beginning of each semester.

Stipends will be distributed in the form of a check and will be held or reduced as compensation for damages or losses to equipment, textbooks or other Upward Bound program property. Student stipends are calculated based on the number of completed mandatory and optional tasks and will be reduced for any incomplete college preparatory tasks. Stipends are distributed by semester.

There is a minimum of a 30-day turnaround from stipend forms being submitted to the business office to checks being handed out. Students are asked to be patient as this is a lengthy process.

Students may earn up to \$40.00 per month during the academic year and a maximum of \$60.00 per month during the summer program. To earn a full stipend September–May, students must attend Academic Saturdays in addition to completing other approved tasks.

No stipends are paid for time spent participating in community service hours.

Conduct Disciplinary Procedures

While preparing students to become successful college graduates, the Upward Bound staff has firm expectations of its students. These expectations stress the importance of respectful behaviors that are necessary for a student's future achievements. In the event that an Upward Bound participant acts in a manner that is disrespectful to others or disruptive of the learning process, a verbal warning will be given to the student. If the student does not modify his/her behavior, the following steps will be taken:

STEP 1: WRITTEN WARNING

Students will be given a written warning for any violation of the Upward Bound rules as stated in this handbook. The student's parents or guardians will be informed of the violation by phone. A copy of the written warning will be placed in the student's file.

STEP 2: SUSPENSION OF PRIVILEGES & DISCIPLINARY CONTRACT

Upon the second offense or rule violation, the student will have his/her privileges restricted which may include suspension from recreational activities, cultural field trips, and Upward Bound workshops or reduction of stipends. Restrictions on privileges will occur on an individual basis. Additionally, the student will be required to complete a Disciplinary Contract that defines the conditions that he/she must follow to remain in the Upward Bound program. Parents will again be notified by phone of their student's behavior.

STEP 3: PARENT CONFERENCE AND PROBATION/DISMISSAL FROM PROGRAM

On the third offense or rule violation, the student and his or her parent must attend a conference to be held with the Upward Bound Director and student's coordinator. The Student Disciplinary Contract will be reviewed and the student's past motivation and behavior will be discussed. Based upon the staff review, a student will either be placed on probation for one semester from the Upward Bound program and/or dismissed from the program.

DEPENDING ON THE SEVERITY OF THE OFFENSE OR RULE VIOLATION, UPWARD BOUND STAFF HAS THE OPTION TO SKIP STEPS 1 AND 2, AND PROCEED IMMEDIATELY TO STEP 3.

Drug and Alcohol Policy

A student's safety is the priority at all times. No Upward Bound student shall possess, transmit, or be under the influence of any of the following substances at any time:

1. Any controlled substance or illegal drug as defined by law.
2. Alcohol.
3. Abusable glue, aerosol paint, or any other chemical substance for inhalation and consumption.
4. Drug paraphernalia of any kind.
5. Tobacco of any kind, including but not limited to cigarettes, e-cigarettes, cigars, pipes, snuff or chewing tobacco.

In the event a coordinator or an instructor suspects a student may be under the influence, a coordinator may conduct a search of the student's possessions for the safety of the student and other program participants.

Students caught in possession or under the influence of any illegal substances will be immediately dismissed from the Upward Bound program and will forfeit all stipends and Upward Bound services.

Weapons/Vandalism

Weapons

A student in possession of any type of weapon will be permanently dismissed from the Upward Bound program.

Vandalism

Students should not vandalize or otherwise damage or deface any property, including furniture and/or other equipment.

Parents or guardians shall be liable for any damages caused by their student's action. Students who vandalize any property face immediate dismissal from the Upward Bound Program.

This also applies to any college visits or cultural events. Any type of vandalism will not be tolerated.

Dress Code

Students must remember that they represent Upward Bound while they are at any program related activity. Clothing, jewelry, patches, and tattoos must not reflect or suggest in any manner drugs, alcohol, tobacco, sex, vulgar language, or gang affiliation.

1. The official Upward Bound t-shirt must be worn to program sponsored fieldtrips unless UB staff approves different clothing for a particular event.
2. Shorts are permitted, but the length of shorts must be no shorter than fingertip length.
3. No hats to be worn while indoors—this covers caps and outer wear hats.
4. All tops must be long enough to cover the midriff completely and must not display cleavage in any form.
5. Refer to pages 18 & 19

It is at the advisor or chaperone's discretion to determine whether or not a student's apparel is appropriate or not — not the student. If an advisor deems a student's outfit does not follow the UB stated guidelines, students are at risk of being sent home, stipend reduction, loss of field trip privileges, and placement in the program. See pages 18 and 19 for examples of inappropriate dress.

When in doubt, don't wear it out!
