TRC

SCIENCE & MATH COLLABORATIVES

2015-2016

WELCOME, STAKEHOLDERS

Your Project Directors:

Science

Judy York, jyork@esc12.net

Prisscilla Fricke, pfricke@esc12.net

Math

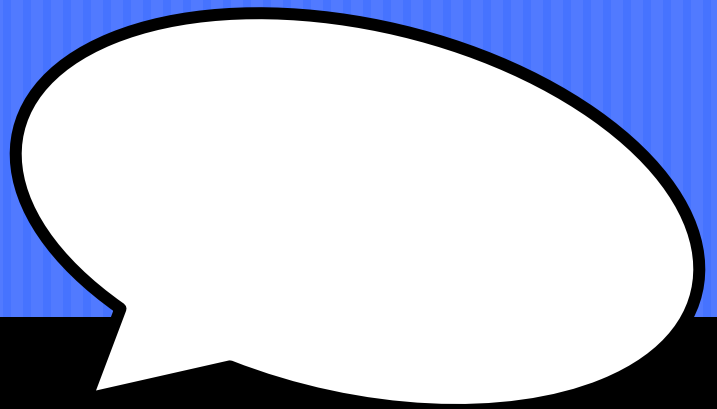
Becky Ralston, bralston@esc12.net

Jared Disher, jdisher@esc12.net

www.esc12.net/trc www.thetrc.org

Our Agenda:

- ❑ What makes the TRC "the TRC"…
- ❑ Learning the Lingo
- ❑ Program Design
- ❑ Program Expectations & Opportunities
- ❑ Materials & Stipends
- ❑ Immersion Program



“THE T R C”

What makes us special?

20+
years

24
districts

45
campuses

Central Texas Astronomical Society

"The stars at night, are big and bright, deep in the Heart of Texas"

80+
mentor
teachers

200+
cadres

Region 12 Education Service Center
Innovate. Empower. Educate.

Texas Regional Collaboratives for Excellence
In the Service of Science and Mathematics Teachers

Relationships

Leadership

Building Content Conceptually & Vertically

Celebrating Teachers

Collaboration

Experience it for yourself!

The best piece of advice a principal ever gave me was…

Region 12 Education Service Center
Innovate. Empower. Educate.

ESC 12 AND THE BRIC

EXPECTATIONS & OPPORTUNITIES

The details!

www.esc12.net/trc

- ✓ Timelines
- ✓ Forms
- ✓ Updates
- ✓ Meeting Resources

Region 12 Education Service Center
Innovate. Empower. Educate.

Texas Regional Collaboratives for Excellence
In the Service of Science and Mathematics Teachers

MATERIALS & STIPENDS

The details!

Materials:

Placed with REGISTERED attendees. (Including CMs when possible!)

To support professional development and targeted content standards.

Implementation expected!

Region 12 Education Service Center
Innovate. Empower. Educate.

Texas Regional Collaboratives for Excellence
In the Service of Science and Mathematics Teachers

Stipends:

Teacher Mentors only.

$50 per day attendance stipend for select summer dates. Up to $250 total for 5 days.

$250 completion stipend. (pre-and post-assessments, surveys, minimum of 100 contact hours)

IMMERSION PROGRAM

Maximize impact.

Current MATH Immersion Partners:

- ✓ Connally Primary
- ✓ Fairfield Intermediate
- ✓ Meadows Elementary
- ✓ Pershing Park Elementary
- ✓ Western Hills Elementary
- ✓ Moody Elementary
- ✓ Rice Intermediate School

- 100% of Grade 3 teachers must be involved
- At least 1 Grade 3 teacher serves as MTM
- All other Grade 3 teachers participate as MTMs or I-CMs
- I-CMs complete 24 contact hours
- Teachers at other grade levels can participate as MTMs or regular CMs (12 contact hours)

Current SCIENCE Immersion Partners:

- ✓ Connally Middle School
- ✓ Eastern Hills Middle School
- ✓ Mart Middle School
- ✓ Moody Middle School
- ✓ Mays Middle School

- 100% of Grade 8 teachers must be involved
- At least 1 Grade 8 teacher serves as STM
- All other Grade 8 teachers participate as STMs or I-CMs
- I-CMs complete 24 contact hours
- Teachers at other grade levels can participate as STMs or regular CMs (12 contact hours)

Thank you for your participation and attendance!

For further information or support, please contact your project director.
