

## OUR STORY

The ESC Region 12 Technology Foundation was established in 2012 and is dedicated to providing additional resources to Central Texas schools for technology programs. Grant funds are restricted to the purchase of state-of-the-art equipment and/or programs that enhance learning through the integration of technology in the classroom. The Foundation is deeply committed to supporting the education of all students in Region 12, which includes 77 school districts and 9 charter schools in 12 counties.

## OUR PURPOSE

The purpose of the Foundation is to generate, manage and distribute funds for technology programs not funded by tax dollars. Funding to schools is supplemental.
